1-Read the following passage and answer the questions below:

The Arab world is located in two continents Asia and Africa. The region offers a variety of climatic conditions as we have mountains with snowy weather and the desert with hot and dry one so farming is very important to people there, some of the main products are wheat, dates, rice and olive oil. The Arab world is also famous for its rich culture like Ancient Egypt. The Arab culture was very powerful in art, science, architecture and writing.

.....\ 5 marks

1-Read the following passage and answer the questions below:

The Arab world is located in two continents Asia and Africa. The region offers a variety of climatic conditions as we have mountains with snowy weather and the desert with hot and dry one so farming is very important to people there, some of the main products are wheat, dates, rice and olive oil. The Arab world is also famous for its rich culture like Ancient Egypt. The Arab culture was very powerful in art, science, architecture and writing.
